Please reference the calendar on page 2 for weeks & closed holidays.

- Automatic payments processed on the 25th of every month
- **ALL payments due by 27th of every month.**

Failure to make payment by due date will likely result in your child losing his/her spot.

Enrollment will not be guaranteed should payment be late.

Important Billing Info.

All prices are effective for the August 2021 Session, (8/1/21-8/31/21).

(Payments will be due by Saturday, July 31, 2021)

Starting August 2021, the billing procedures are as follows: Your student will now be billed based on the number of class days that are scheduled in that month. For example, in the month of August, all Monday & Tuesday students will be charged a 5-week amount and all Wednesday through Saturday students will reflect a 4-week amount. If your child attends more than one class each week, you will still receive discounts on all classes after the first, full-priced class. This will continue each month thereafter. The tuition will be pro-rated for any holidays in which we are closed; no make-up classes will be necessary.

We are hoping this change will simplify the billing process. With this change, please be aware that ALL **automatic payments** will now be processed every month on the 25th, (starting Aug. 25th). **ALL** payments will be due by the 27th every month as well. If payment is not received your child will be assumed to be dropping for the following month.

We are continually looking to hold our costs down, yet striving to maintain the high standard, which has become synonymous with Precision Gymnastics.

As always, thank you for your continued patronage.

Sincerely,

The Staff of Precision Gymnastics, Inc.
